

Here are more on iPRECIO in Scientific Webinars

New Horizons: Gonadotropin-Releasing Hormone and Cognition

<https://insidescientific.com/webinar/new-horizons-gonadotropin-releasing-hormone-and-cognition/#videos>

iPRECIO specifically – from 1:00 to 5:09s (Primetech Corp)

Compound Delivery, PK-PD, & Validation Studies in Oncology Research

<https://insidescientific.com/webinar/programmable-pumps-for-compound-delivery-in-oncology-research/>

A 2-part webinar for scientists interested in novel drug delivery methods for basic research, drug discovery and development. Learn about novel infusion technologies and how challenges in physiological monitoring and drug delivery are being overcome by implantable and programmable devices.

Gold Standard Physiological Measurements and Novel Drug Delivery Methods:

<https://insidescientific.com/webinar/gold-standard-physiological-measurements-and-novel-drug-delivery-methods-iprecio-pt1/>

Synthetic, Structural, and Mechanistic Investigations of Vitamin B12 Conjugates of the Anorectic Peptide PYY3-36

<https://insidescientific.com/webinar/gold-standard-physiological-measurements-and-novel-drug-delivery-methods-iprecio-pt2/>

1st Home Cage Technologies Tech-Talk: Translational digital biomarkers and clinically relevant drug application in the home cage.

<https://my.demio.com/recording/5uTuDQn9>

iPRECIO specifically – from 30:10s to 1:02:38 s (Primetech Corp)
